- > In the month of may attendance is lower than other months. So it's better to choose team meetings or deadlines in other months.
- > In the month of may most of the sick leave have taken. So it's better to choose health consciousness steps in may.
- > In the month of June, most of the employee works from home. So it's better to choose not to conduct any physical meetings or get together in June.
- > In the past 2 months i.e., In May and June, most of the people took sick leave on Monday although attendance on Monday is the highest.
